OF
THE KIDNEY FOUNDATION
FOR THE YEAR ENDED
JUNE 30, 2022**

BDO Ebrahim & Co. Chartered Accountants

BDO Ebrahim & Co., a Pakistan registered partnership firm, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE KIDNEY FOUNDATION

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of **THE KIDNEY FOUNDATION** (the Foundation), which comprise the statement of financial position as at June 30, 2022, and statement of income and expenditure and other comprehensive income, the statement of cash flows, statement of changes in fund account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us the statement of financial position, statement of income and expenditure and other comprehensive income, the statement of cash flows and the statement of changes in fund account together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Foundation's affairs as at June 30, 2022 and of the income and other comprehensive income, cash flows and its changes in fund account for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the director's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or taken together, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion,

- a) proper books of account have been kept by the Foundation as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, statement of income and expenditure and other comprehensive income, the statement of cash flows and the statement of changes in fund account together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Foundation's business; and
- d) no zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Tariq Feroz Khan.

CHAIRPERSON

CHIEF EXECUTIVE

**THE KIDNEY FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

1 NATURE AND STATUS OF BUSINESS

- 1.1 The Kidney Foundation ("the Foundation") was incorporated in Pakistan on January 15, 1996 as a public company limited by guarantee. The Foundation has been granted license under section 42 of the repealed Companies Ordinance, 1984 (now Companies Act, 2017), as a not-for-profit-company. The Foundation's registered office is located at National Institute of Kidney and Urological Diseases (NIKUD), University of Karachi - Gate No. 04, Haque Nawaz Jhangvi Road, Karachi.

The Foundation's principal objective is to conduct experiments, and to provide funds for research work and for scholarships, stipends and other related expenses for research, so as to provide medical relief to public especially kidney patients, and to assist deserving doctors in training and acquiring advanced knowledge in the field of kidney transplantation, dialysis and kidney/renal diseases. Further, the Foundation assists in procurement of equipments and surgical instruments to various institutions dealing with treatment of kidney patients. The Foundation's objectives to establish, provide, maintain and conduct or otherwise subsidize, educational institution with the permission board of competent authority, hospital, research laboratory and experimental work shop.

- 1.2 The Foundation and the University of Karachi (the University) agreed to jointly establish NIKUD. In this regard, the University's Syndicates in its meeting of July 20, 2002 resolved to sub-lease a portion of its land for the establishment of NIKUD. Pursuant to the said resolution, the Foundation, through its own generated resources, commenced construction of the building and installation of necessary machinery and equipment etc. on the allotted land, as disclosed in note 5 to the financial statements.

In 2009, the Statute for NIKUD, made under the University of Karachi Act, 1972, was signed by the Vice-Chancellor of the University and the Chief Executive & Secretary of the Foundation. As per the Statute, the NIKUD shall be educational, scientific research based medical institution of international standards entrusted with the responsibilities of conducting basic, applied and clinical research and imparting education in medical sciences. Further, it shall function as a Constituent Institution of the University to be governed by a separate Governing Council.

Due to the pending approval of the Statute for NIKUD by the University's Senate, finalization of sub-lease of land with the University, constitution of the Governing Council, completion of the construction of NIKUD facilities and the ultimate resolution of the Foundation's right incidental to the ownership of NIKUD, thereof, the capital expenditure is no longer classified as capital work in progress.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The approved accounting and reporting standards applicable in Pakistan comprise of : International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017, Accounting Standard for Not for Profit Organizations (Accounting Standard for NPOs) issued by the Institute of Chartered Accountants of Pakistan as notified under the Companies Act, 2017 and provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS for SMEs or the Accounting Standard for NPOs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

2.2 Basis of measurement

These financial statements have been prepared under the historical cost convention.

2.3 Functional and presentation currency

These financial statements have been presented in Pak Rupees, which is the functional and presentation currency of the Foundation.

2.4 Significant accounting estimates and judgements

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Foundation's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In the process of applying the accounting policies, management has made the following estimates and judgments which are significant to the financial statements:

Useful lives of property and equipment and methods of depreciation - Note 3.1

Contingencies - Note 12

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 Property and equipment

These are stated at cost less accumulated depreciation. Depreciation is charged on prorata basis by using straight line method at rates specified in the relevant note. Normal repairs and maintenance are charged to expense as and when incurred. Gain or loss on disposal of fixed assets are recognised in statement of income and expenditure.

3.2 Capital work in progress

Capital work-in-progress are stated at cost and consist of expenditure incurred, advances made, borrowing costs and other directly attributable costs in respect of operating fixed assets in the course of their construction and installation. Transfers are made to relevant operating fixed assets category as and when assets are available for use.

3.3 Stock in hand

Stock-in-hand comprise of medicine for the consumption in OPD and are valued at lower of cost and current replacement cost. Cost of medicine is determined on first in first out (FIFO) basis.

3.4 Advances

These are stated at cost less estimates made for doubtful balances based on a review of all outstanding amounts at the balance sheet date. Balances considered bad and irrecoverable are written off when identified.

3.5 Cash and bank balances

Cash in hand and at bank are carried at nominal amount.

3.6 Financial Instruments

The Foundation accounts for all basic financial instruments at amortised cost model except for investments in non-convertible and non-puttable preference shares and non-puttable ordinary shares that are publicly traded or whose fair value can otherwise be measured reliably.

Financial instruments are recognised initially at the transaction price including transaction costs except for financial instruments that are measured at fair value through profit or loss.

Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Foundation has transferred substantially all risks and rewards of ownership attached to such financial assets. Gains and losses on disposal are determined by comparing the proceeds with the carrying amount and are recognised in the statement of income and expenditure.

3.7 Taxation

The Foundation is claiming tax credit equal to one hundred per cent of the tax payable under section 100 (c) of Income Tax Ordinance, 2001, including minimum tax and final taxes payable. Therefore, no provision for tax has been made for the year.

3.8 Trade and other payables

Liabilities for trade and other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received.

3.9 Provisions

A provision is recognized when the Foundation has a legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and a reliable estimate can be made of the amount of obligation.

3.10 Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Foundation and the revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable. The Foundation uses 'Deferral Method' in accounting for its restricted capital contributions whereby the restricted contributions for the purchase of capital assets that are depreciated are deferred and recognized as revenue in the statement of income and expenditure on the same basis as depreciation expense related to the acquired capital assets is charged to the income and expenditure account.

General contributions which comprise of donation, zakat and membership fee are accounted for on receipt basis.

Net investment income which is not externally restricted and comprises of income on bank deposits and rent income is recognized in the statement of income and expenditure on accrual basis.

3.11 Funds

(a) Restricted funds

Funds received as granted for specific purposes are classified as restricted fund. For this purpose:

-when grants received are in excess of their outlay, these are recognized as income to the extent of related / budgeted expenses incurred. The excess balance is carried forward as restricted fund balance.

-when grants received are less than related expenditure incurred, the balance to the extent of commitment is recognized as receivable, if there is a strong probability of recovery of the contractual receivable from the respective donors.

(b) Unrestricted funds

Funds received for ongoing operations without any restriction on utilization are classified as unrestricted funds. These funds are recognized as income when received. The expenses incurred against such funds are recognized in the statement of income and expenditure as and when incurred.

3.12 Foreign currency translation

Foreign currency transactions are translated into Pak Rupees using the exchange rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Pakistani Rupees at the exchange rate at the reporting date. Foreign currency differences are generally recognised in the statement of income and expenditure and presented with in other income / operating expenses.

18 FINANCIAL INSTRUMENTS RELATED DISCLOSURES			
18.1 Financial risk factor			

The Foundation's activities exposes it to currency risk, interest rate risk, credit risk and liquidity risk. The Foundation's overall risk management programme focuses on having cost efficient funding available to sustain its operations.

	2022	2021
	Rupees	Rupees

a) Currency risk

Foreign currency risk arises mainly where receivables and payables exist due to transactions in foreign currencies. As of date of statement of financial position, the Foundation is exposed to currency risk on bank balances denominated in US dollars. The Foundation's exposure to foreign currency risk on bank balances is as follows:

Faysal Bank Limited-Saving plus US\$ account	422,474	325,549
--	---------	---------

b) Liquidity risk

Liquidity risk is the risk that the Foundation will encounter difficulties in raising funds to meet commitments associated with financial instruments. The management believes that the Foundation is not exposed to any significant level of liquidity risk.

c) Concentration of credit risk

Credit risk represents the risk of financial loss being caused if counter party fails to discharge an obligation. Credit risk arises from deposits with banks and financial institutions. The credit risk on liquid funds is limited because the counter parties are banks with reasonably high credit ratings.

The Foundation monitors the credit quality of its financial assets with reference to historical performance of such assets and available external credit ratings. The credit quality of Foundation's bank balances can be assessed with reference to external credit ratings as follows:

Bank	Rating Agency	Rating			
		Short Term		Long Term	
		2022	2021	2022	2021
Faysal bank limited	PACRA	A1+	A1+	AA	A1+

d) Interest rate risk

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in the interest rates. The Foundation manages this risk through risk management strategies. As of reporting date the interest rate profile of the Foundation's significant fixed interest bearing financial instruments was as follows:

	2022		2021	
	Effective interest rate (in percentage)	carrying amount (Rupees)	Effective interest rate (in percentage)	carrying amount (Rupees)
Saving accounts-Daily progress account				
Local Currency	3.75% to 7%	6,308,728	1.13% to 2.21%	1,192,633
Foreign Currency	0.0087% to 0.015%	422,474	0.10% to 0.20%	325,549

e) **Fair value of financial instruments**

The carrying value of all the financial assets and financial liabilities are estimated to approximate their fair values.

	2022 Rupees	2021 Rupees
Financial assets as per statement of financial position		
Loans and receivables at amortized cost		
Long term deposits	762,231	762,231
Cash and bank balances	6,747,544	1,561,887
	<u>7,509,775</u>	<u>2,324,118</u>
Financial liabilities as per statement of financial position		
Financial liabilities measured at amortized cost		
Trade and other payables	6,929,739	8,035,590

19 **REMUNERATION OF EXECUTIVES**

The aggregate amounts charged in the financial statements for remuneration, including all benefits to Chief Executive and Executives of the Foundation were as follows:

	2022			2021		
	Chief Executive	Executives	Total	Chief Executive	Executives	Total
	-----Rupees-----			-----Rupees-----		
Remuneration	-	3,159,667	3,159,667	-	3,855,000	3,855,000
	-	3,159,667	3,159,667	-	3,855,000	3,855,000
Number of persons	1	3	4	1	3	4

No remuneration has been paid or is payable to the Chief Executive of the Foundation for the year ended June 30, 2022 (2021:Nil).
